Professional Summary

Honors graduate in Artificial Intelligence and Data Science with a Program Add-on specialization in Software Modelling and DevOps. Strong foundation in Python, JavaScript, Django, SQL, RESTful APIs, Machine Learning, Deep Learning, Data Analysis, and Natural Language Processing. Experienced in developing full-stack and AI-powered applications using modern software development practices. Strong problem-solving, debugging, API integration, and collaborative development skills with an interest in building scalable and reliable software solutions.

Education

K L University

Aug 2022 – May 2026

B.Tech in Artificial Intelligence and Data Science – Honors

Program Add-on: Software Modelling and DevOps

CGPA: 9.15

Projects

Tutor CRM System

May 2026 – Jun 2026

React.js, Node.js, Express.js, MongoDB

- Developed a full-stack CRM platform to manage students, tutors, attendance, payments, and academic records.
- Built responsive role-based dashboards using React.js and developed RESTful APIs using Node.js and Express.js.
- Implemented authentication, role-based access control, MongoDB integration, API testing, debugging, and application deployment.

AI Image Editing Website

Jul 2023 – Dec 2023

Python, Django, JavaScript, AI/ML, REST APIs

- Developed an AI-powered web application for automated image editing and enhancement using Python and Django.
- Applied AI/ML-based image processing techniques to perform automated image editing operations.
- Designed a responsive web interface using HTML, CSS, and JavaScript and integrated RESTful APIs for image processing workflows.

Technical Skills

- **Programming Languages:** Python, JavaScript
- **Frameworks:** Django, Express.js, React.js
- **Frontend:** HTML5, CSS3
- **Databases:** MySQL, MongoDB
- **Software Development:** RESTful API Development, API Integration, SDLC, Agile Methodology, Object-Oriented Programming
- **Tools:** Git, GitHub, Docker, Power BI
- **Cloud:** AWS
- **Core Skills:** Problem Solving, Software Design, Version Control, Team Collaboration

Certifications

- AWS Certified Cloud Practitioner
- Oracle Cloud Infrastructure Certified AI Associate

Languages

- English
- Japanese – JLPT N5
